Very special event coming in March

A young woman and her baby were saved from abortion several months ago through the efforts of a faithful sidewalk counselor outside the Fondren abortion facility. "Please join us in showering prayers and love on Mom and Baby as we anticipate a joyous March birth," states 40 Day Campaign co-chairperson Tammy Tillman. "Your presence at the abortion center during 40 Days for Life CAN make a difference."

40 Days for Life – Trust in God

The 40 Days for Life Kickoff event, originally scheduled for Ash Wednesday, February 17, was postponed due to the winter weather that shut down most of the capitol city. It was rescheduled for Saturday, February 20, and while only a handful

of people were able to attend, earnest prayers were offered for the success of the campaign. "We are not discouraged," said PLM president Laura Duran. "Christ promised that "when two or more are gathered in my name, I am there in the midst of them."
