PRO-LIFE MISSISSIPPI

one of the state's oldest pro-life groups, was established in 1979 as Right to Life of Jackson. To reflect our state-wide mission, the name was changed to Pro-Life Mississippi in 2003. We are a Christian educational organization based in Jackson, Mississippi with a statewide membership. We are an autonomous group that works closely with other Mississippi pro-life leaders and ministries, as well as with numerous national pro-family groups, including Americans United for Life, Focus on the Family, Concerned Women for America, American Family Association, Christian Action Council, and others.

We are a tax exempt, non-profit corporation funded by donations from pro-life individuals, churches, community organizations, and businesses.

Mission Statement:

PRO-LIFE MISSISSIPPI is an organization of diverse and caring Christians. We are drawn together by our commitment to the sanctity of human life from fertilization to natural death. On behalf of those who cannot speak for themselves, we are a voice against abortion, infanticide, and euthanasia in Mississippi.

Our mission is to reach the state with the truth about these life issues by providing educational material and events in an effort to foster a sanctity of life ethic in Mississippi. Our secondary mission is to take the pro-life message directly to those who threaten innocent human life.

We feel the key to the success of our mission is to motivate the churches of Mississippi into taking action against these heinous sins.
