

JOYCE CARACCI

Joyce Caracci was born into a sharecropping family in rural Neshoba County Mississippi where she graduated as “Miss Arlington High” class of 1950. Her lifelong commitment to health care, which had always been her calling, began with her studies at St. Dominic’s Hospital in Jackson.

In 1976, Joyce, by now an experienced nurse, and her husband Victor, founded Sta-Home Health Agency, Inc. and began providing home health care services across Mississippi. Besides being a dedicated and successful businesswoman, Joyce was notable for her strong Christian beliefs and her commitment to helping those in need. She was passionate about children, childbirth and pro-life ministries, and contributed tirelessly to these causes both personally and financially.

Pro-Life Mississippi is pleased to offer the “Joyce Caracci Scholarships” as a memorial to our beloved benefactor and respected friend, Joyce Caracci.
